

LIVE YOUR LIFE

AQUATIC ENGINEERING TECHNOLOGY

The Most Comprehensive Online Curriculum Available for the Aquatics Industry

Earn your college degree from the comfort of your own computer. Our Associate of Science Degree curriculum is a 2-year program consisting of 60 hours of coursework, online. Each student completes 36 credit hours of core courses and 24 credit hours of general education courses. This comprehensive distance-learning program encourages students to broaden their knowledge in all aspects of swimming pool management and operation and is available to students worldwide.

Healthy Pools.
Healthy Bodies.

SAFETY 1ST

Pools are all about having fun and enjoying the water, but ensuring they are safe to use is the responsibility of everyone in our industry. At HornerXpress Worldwide, you will find a complete range of:

- Professional system testing equipment
- Pool alarms
- Safety vacuum release systems
- VGBA approved fittings
- Pool and spa signs
- Life saving equipment
